O.A.C. MAYFLOWER RANSOM

by O.A.C. Ransom 23rd

**New Bennet herd sire closely related to several animals
in this sale.**

INTRODUCTION

The sponsors of this sale are Ontario breeders who have been buying the top Shorthorns at leading Canadian and United States auctions and in many instances have added choice individuals selected from recent importations. Their herds are now in full production and this sale was conceived to give them an outlet for their productions and an opportunity to show to the public what can be accomplished by breeding the best females in America to the best bulls that have been offered for sale in recent years.

If there had been better Shorthorns offered for sale than the ones that make up the herds of these breeders, they would be in those herds.

This is the sale catalogue. The pedigrees and many pictures of the animals are before you. Nine out of ten of these cattle would be among the tops of the strongest sale offerings in America. The others are fine specimens of the breed, capable of improving America's herds.

The owners of these choice young cattle are among Ontario's most substantial and reliable citizens and breeders. You can buy at this sale with full confidence that the cattle are as represented and that if there be any unforeseen flaw in any animal, a quick and a just settlement will be made, and the buyer will receive satisfaction.

**WILL JOHNSON, Sale Manager,
Aurora, Ill.**

General Information

Time—Tuesday, February 5th, 1946, at 12.30 p.m. This is the day following the annual meeting of the Ontario Shorthorn Club, at the Royal York Hotel, Toronto.

Location—The sale will be held at the farm of P. F. Law, Weston, Ontario, on Highway No. 27, just fifteen minutes from the heart of Toronto.

Sale Headquarters—The headquarters for the sale will be a room at the Royal York Hotel. Enquire for Will Johnson, S. G. Bennett, or W. H. Merry at the desk, or ask any of the consignors or sale officials for the number of the room. Transportation from the hotel to the Law farm will be furnished for all who desire to attend the sale.

Meals and Accommodations—A heated pavilion has been provided in which to hold the sale and a meal will be served to visitors to the farm immediately preceding the opening of the sale.

Invitation—The members of the sale committee, the breeders whose cattle have been drawn for this sale and the sale officials invite all persons who are interested in the improvement of the livestock of Canada and the United States, and any other visitors who may be in Canada at the time of the sale, to attend the auction. These cattle have been selected as an exhibit of the best products of the herds from which they have come. No cattle have been selected for this sale to cull the herds of their owners, but each is here because it is far better than the average. In fact, this is strictly a sale of cattle of the highest quality, the best type and the most impressive character.

For the owners,

WILL JOHNSON, Sale Manager.

GREENEFARM BANKER, a great red roan senior yearling has been picked by many competent breeders as being the type of bull that we are all striving to produce, and is a living example of his grandsire the Perth Supreme Champion, Calrossie Mercury. You will note that the first bull in his pedigree is a son of a Perth Supreme Champion, the 2nd bull a grandson of a Perth Supreme Champion and the 3rd bull a Highland Champion himself. Greenefarm Banker is truly a great calf with a grand pedigree.

He is sired by Edellyn Roman Mercury grand champion and top selling bull at the 1943 International, and his dam, a granddaughter of Millhills Ransom was the highest priced female sold in Canada during the past 25 years. His granddam Princess Amy was by the great breeding sire Collynie Royal Barrage. Greenefarm Baronet has a concentration of the bloodlines of the three greatest sires in modern short-horn development and his own superb individuality is conclusive evidence that he will be a prepotent sire.

Here is a cow and heifer calf that should give some new breeder an opportunity for a quick start in the Shorthorn business, since this cow will be re-bred before sale day to Balthayock Chieftain Command (imp.). A three-in-one bargain, since the cow herself is short coupled and low to the ground, and sired by that great bull Larbert Templar (imp.). Her heifer calf looks like a real prospect, and it, of course, if sired by our great bull Balthayock Chieftain Command (imp.). Better look this pair over closely, as they are the right kind.

SANDOON BEAUTY, a very appropriate name for this heifer, as she is liked by all who see her. She is also sired by our son of the 1938 Perth Champion, and out of the same dam as Sandoon Sensation, who was Grand Champion at the 1945 Lindsay Exhibition. This is a low, thick set calf, with a good spring of ribs, and is a real show prospect.
